

# Around the County From Lincoln City

Offerings, Enrollment, and Dual Credit

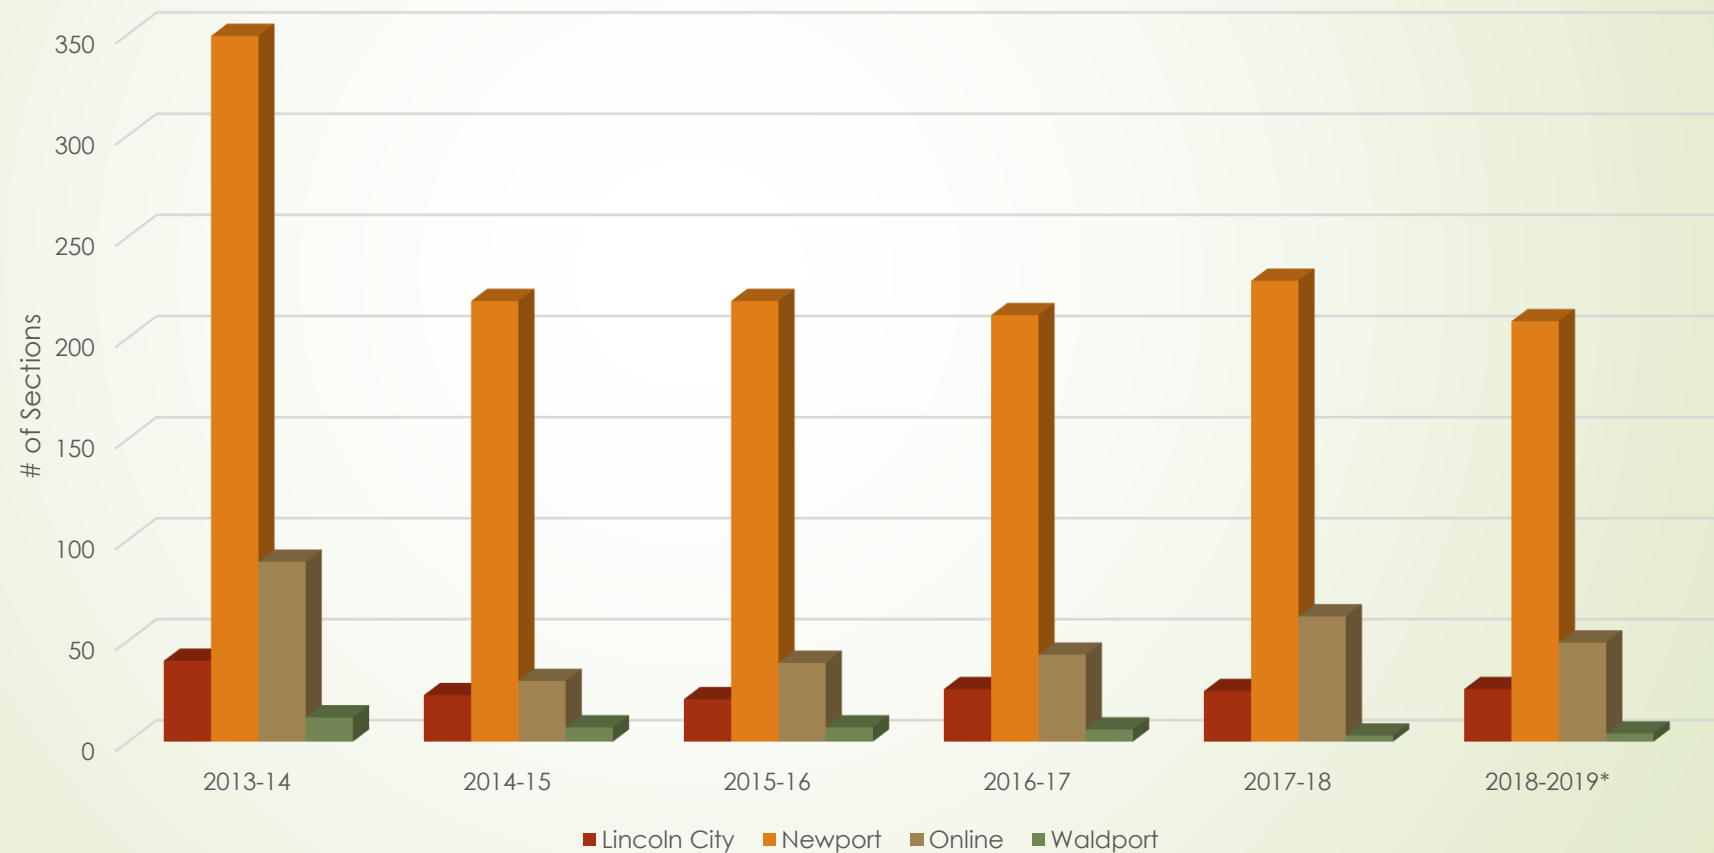

# Disclaimers:

- ▶ Statewide, enrollments were higher in 2013-14 coming out of the Great Recession. Enrollments and FTE have been falling for most Community Colleges over the past 5 years.
- ▶ In 2013-14, OCCC had a strong partnership with Lincoln County School District through Expanded Options, where the District paid for OCCC to deliver credit offerings to LCSD HS students.
- ▶ With a strong expanded options program, Dual Credit did not exist until 2015-16.
- ▶ The 2018-19 year only includes the Summer and Fall Terms. As such, 2018-19 numbers only represent about 50% of the total projected enrollment for the year.

# How are we Growing in Lincoln City?

- ▶ CNA, Navigate, Juntos, Non-Credit
- ▶ On the Credit Side, we have redesigned our Course Schedule, expanded the number and type of offerings, and have begun live streaming courses to Lincoln City.
  - ▶ New for Winter 2018:
    - ▶ Additional Science Offerings, Writing Sections, and Social Science, Math, and Art
    - ▶ **It is now possible to complete an AAOT from Lincoln City via live, live-streamed, or online offerings (currently COMM is only available via online).**

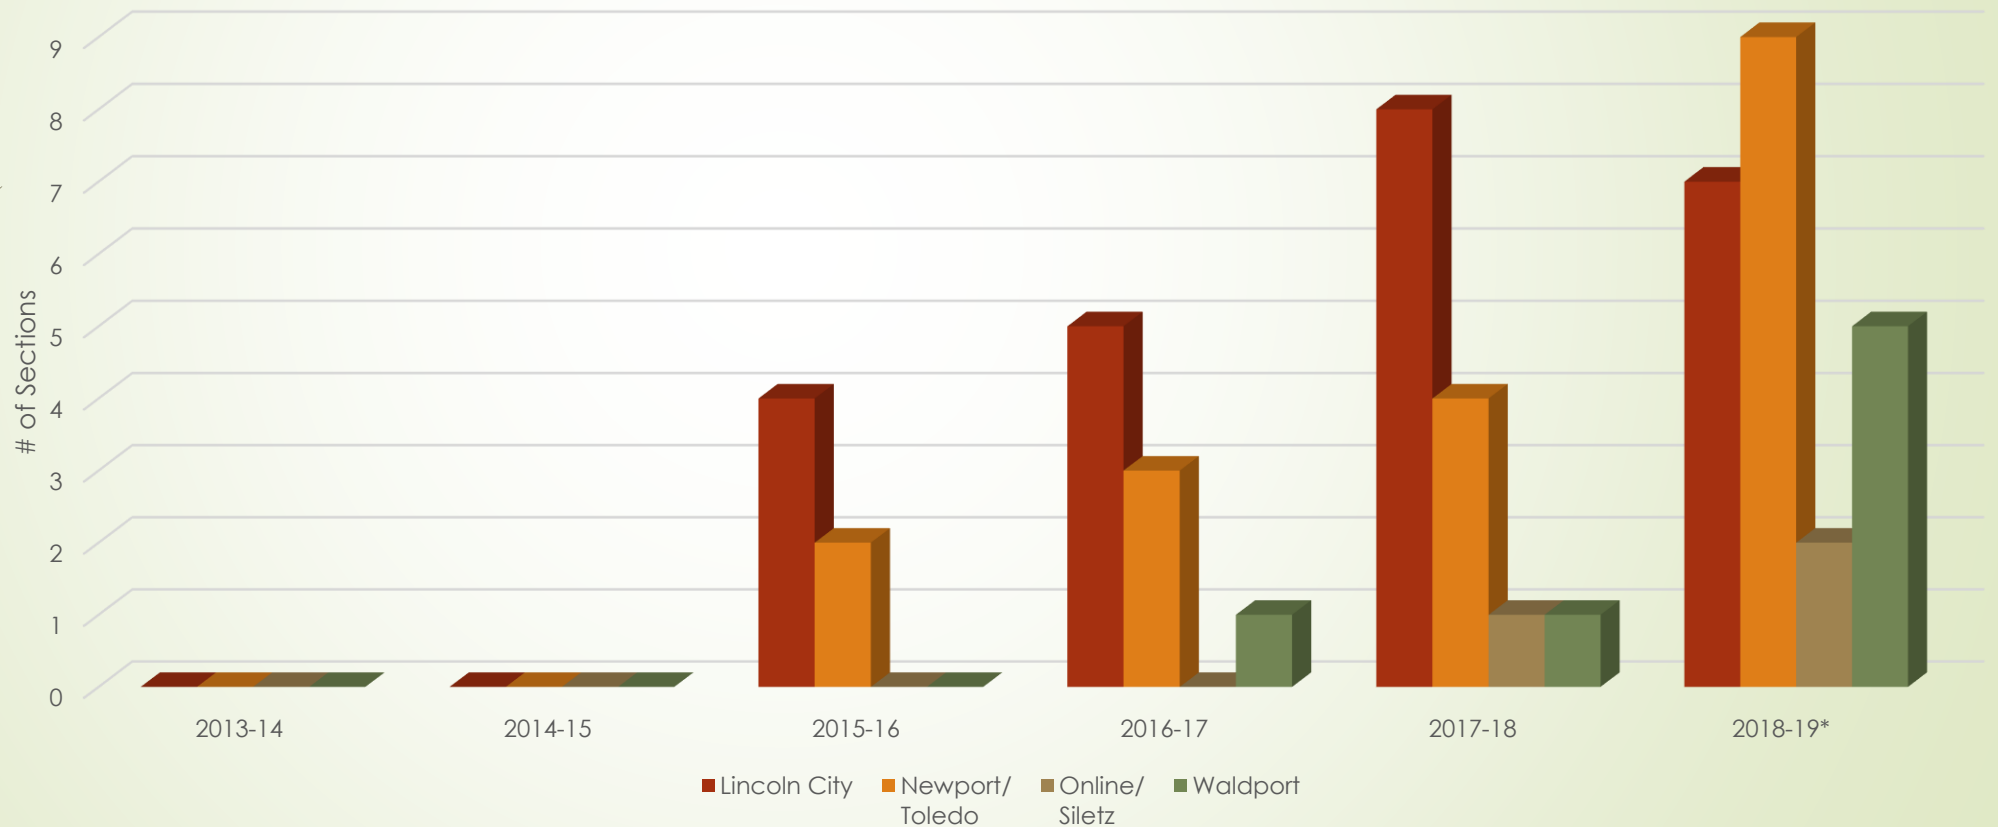

# How are we growing in Lincoln City?

- ▶ Enhanced Partnerships with LCSD and Taft High School
  - ▶ Dual Credit Science
    - ▶ OCCC has aligned AP Biology with BI 101/102/103.
  - ▶ Aligning Schedules
    - ▶ Fall: OCCC is offering CG 100 (College Success) on early release Wednesdays to College Bound and College Maybe students.
    - ▶ Winter: OCCC is offering ESR 173 (Environmental Geology) on early release Wednesdays but later in the afternoon on Mondays.
