This is a Sample APA References Page

- § Start the reference list on a new page
- § Continue the use of a running head and page numbering
- § All text should be double-spaced
- § The title, References, is centered beneath the running head
- § The citation entries start flush at the left margin, with the second and subsequent lines indented one-half inch
- § The entries are listed alphabetically by the author's last name
- § Every article mentioned in your research paper should have an entry
- § Entries should be formatted in accordance with the APA Publication Manual guidelines
