Equal Opportunity

Oregon Coast Community College does not discriminate against individuals on the basis of race, color, gender, marital status, sexual orientation, religion, national origin, age, disability, political affiliation, or belief.

Disabilities

Oregon Coast Community College is committed to providing equal opportunities for students with disabilities throughout the College community. Students with documented disabilities are entitled to reasonable accommodations under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Our philosophy is to maximize your independence and self-reliance, providing a variety of support options to assist you in achieving your educational and/or vocational objectives. To receive services, you must submit documentation of your disabling condition(s) to the Director of Student Services. To initiate support services, please contact the Dean of Students at 541-867-8511 or ccarlson@oregoncoastcc.org.
