92
93 3.2 Communications

94 The College agrees to allow the Union reasonable use of College internal mail service, and college

101 3.4 Union Access

125 days prior to the end of the month names of new members, a copy of the dues deduction authorization
126 for each new member, and the dollar and /or the percentage deduction to be applied from the paycheck

128 The College shall remit to the Union the deductions made pursuant to this article together with the
129 names of the employees for whom the deductions were made and the amounts deducted for each
130 within ten (10) days from the payday on which the deductions were made.

251 members of the household who are legally placed foster children or dependents for whom the
252 employee or employee's spouse is legal guardian. In-law relationships shall also include those who are
253 related to an employee through a domestic partner.

254 11.1 Sick Leave

255 A. Accrual: Full-time employees shall accrue sick leave at a rate of .04615 per hour worked, up to a
256 maximum accrual of 96 hours per year. Part-time employees eligible for benefits shall accrue sick
257 leave hours pro-rated by the percentage of their FTE appointment. Part-time employees not

268 Oregon Sick Leave Law. Unused sick leave shall accumulate for an unlimited number of hours.
269

270

271 B. Use: Sick leave may be taken to prevent loss of income as a result of absences due to illness,

After completion of the initial ninety (90) day probationary period, employees shall be allowed up to five (5) days of paid leave due to the death of an immediate family member.

11.5 Education Leave

Educational leave may be granted to an employee at the discretion of the College President for the purpose of educational development. Educational development may include, but is not limited to: obtaining professional certification, licensing, short-term training, or pursuing an educational certificate or degree. This is unpaid leave separate and distinct from Tuition Waiver and Tuition Reimbursement described in Articles XV and XVI.

11.6 Legal Leave

Employees required to appear in court or hearings due to a call to jury duty, a subpoena to appear to testify where the employee is not personally the plaintiff, the defendant or the object of investigation shall be allowed to attend without loss of pay. Any per diem fees paid for such duty shall be paid to the college.

 321 employee's position description. A unit member may request an evaluation if the unit member has not
 322 been evaluated in the previous fourteen (14) months. The Supervisor shall perform the evaluation
 323 within one calendar month of the request or a written response as to why the evaluation is not
 324 necessary.

325 Supervisors shall provide the employee a minimum of two (2) days' notice prior to meeting to formally
 326 discuss a performance evaluation. The supervisor shall discuss the evaluation and provide the
 327 employee with a copy. The official copy will be placed in the employee's personnel file. The
 328 employee will sign the performance evaluation which acknowledges that he or she has read and
 329 understands the contents. The employee's signature does not constitute agreement with the evaluation
 330 but confirms that the employee has read and understands its content. The form will indicate the
 331 agreement or disagreement of the employee with the content of the evaluation and the employee will
 332 have the opportunity to provide written comments. A grievance concerning a performance evaluation
 333 shall be limited to an allegation that the evaluation was done in bad faith.

334 **ARTICLE XIII – DISCIPLINARY AND DISMISSAL PROCEDURES**

335 A. During the probation period, employee's employment is at will and the College may end the
 336 employee's employment for any legal reason or no reason at all. An employee may not grieve a
 337 dismissal that occurs during the probationary period.

338 B. Disciplinary action, after the probationary period, shall only be taken for just cause.

339

340 "Just cause" includes that:

- 341 ○ the employee knew or should have known that the act or acts engaged in were impermissible,
- 342 ○ the College had evidence that the act or acts occurred,
- 343 ○ the College provided the employee with an opportunity to provide information concerning the
- 344 College's concerns.
- 345 ○ the College did not act in an arbitrary or capricious manner

346

347 C. The parties agree that inadequate performance may be grounds for performance management and
 348 possible dismissal, and that the College may dismiss an employee for inadequate performance
 349 without formal discipline.

350

351 D. Prior to any adverse action, the employee shall be provided written notice outlining the
 352 performance concerns and shall be given an appropriate amount of time to correct the outlined
 353 deficiencies unless the performance concern is one that such notice and opportunity to improve is
 354 not appropriate.

355

356 E. In the event a grievance is pursued to arbitration concerning dismissal based on inadequate
 357 performance, the arbitrator will be limited to considering whether the College determined in good
 358 faith that performance warranted dismissal.

359

360 F. Discipline actions may include:

- 361 ○ oral and written reprimands or warnings placed in the employee's personnel file
- 362 ○ demotion
- 363 ○ suspension

371
372

The purpose of this procedure is to provide for an orderly and expeditious process to secure, at the lowest possible level, solutions to disputes relating to interpretation of the Agreement.

373
374
375
376
377
378

14.1 Definitions

Grievant is defined as an employee or a group of employees who allege a violation of the terms of this Agreement. The term grievant also includes the Union with respect to grievances growing out of an alleged violation of its organizational rights under this Agreement, however, no grievance concerning an alleged violation of organizational right is subject to arbitration.

379
380

Grievance is defined as an allegation that a specific section of this Agreement has been violated.

381
382
383
384
385

A grievance shall not include any matter as to which the College is without authority to act, any matter for which a specific remedy has been prescribed by State and/or Federal Statute, or the dismissal of a probationary employee. A grievance shall not include any claim that the employee did not receive leave that the employee believes he or she is entitled to under federal or state law.

386
387
388

Days are defined as Monday through Friday, excluding Saturdays, Sundays and College observed holidays. Days shall also mean those College workdays that occur during term breaks.

389
390
391

Occurrence is defined as when the grievant knew or reasonably should have known of the event giving rise to the violation.

392
393
394
395

14.2 Process

Informal Resolution: Whenever possible, grievances shall be discussed with the immediate supervisor who has the authority to resolve the issue.

399
400

STEP ONE: The grievance shall be submitted in writing to the Office of Human Resources within (20) days of the occurrence. The grievance document shall set forth a statement of the grievance and the alleged facts involved, relevant dates, applicable provisions of the agreement violated and the relief sought. A written decision shall be provided to the grievant and the Union within (10) days.

409
410
411

Time Limits: Failure of the College at any step of the procedure to communicate a decision in writing within the specified time limits shall permit the grievant to proceed to the next step. Failure of the grievant at any step of the procedure to appeal the grievance to the next step within the specified time

412 limit shall deem the grievance resolved. Time limits at any step in the grievance procedure may be
413 extended if mutually agreed to in writing by the parties.

414 14.3 Arbitration

419

420 The designated arbitrator shall set a time and place for hearing which is agreeable to both parties. The
421 powers of the arbitrator shall be limited to interpreting this Agreement and determining if it has been
422 violated. The decision of the arbitrator shall be binding on all parties.

423

424 The arbitration hearing shall be set on a date or time that ensures that the grievant and union's

432 15 credits or up to \$600 of non-credit classes each term for classes offered by the College. Classes not
433 offered directly by the College such as Ed2Go, hosted online classes, and SBDC, shall be made
434 available at the cost, if any, incurred by the College.

435 Employee dependents, (defined by the IRS as spouse, domestic partner, and/or a qualifying child), may
436 use the tuition waiver benefit.

437

438

439

440

443 fees, mileage, lodging, books supplies, etc. are not reimbursable items. Such courses must relate
444 directly to the employee's area of professional expertise. Reimbursement must be approved in advance
445 by the President and the member's immediate supervisor. Unit members utilizing this benefit must
446 provide the College, in advance, on a term-by-term basis, a plan of courses to be taken and any work
447 time that must be missed to accommodate this schedule. Appropriate receipts must be submitted with
448 the request for reimbursement or, with sufficient verification, the College may write the check to be
449 payable directly to the scholastic institution(s).

450 Reimbursement will be limited to the equivalent cost of nine quarter hours per year.

451

452 A grade of A, B, C, P, or S must be earned unless the class is non-credit or non-graded. Verification of

APPENDIX B

OREGON COAST COMMUNITY COLLEGE

Memorandum of Understanding

Casual Employees

Oregon Coast Community College does not desire nor intend to use the Classified employee class to supplant current or new Classified positions. It is our goal that when Classified-type workload requirements are regular (predictable throughout a year) and continuing (expected for the years to come), the College will create and staff new, regular Classified positions contingent on resource availability.

Recognizing that there will be on-going circumstances in which the “regular and continuing” standard is either not met or not yet met, the College seeks to establish the category of “Casual Employees.”

A casual employee is an employee with an assignment that does not exceed 599 hours per year, and whose assignment automatically ends on June 30th of each fiscal year.

In addition, casual employees:

- Are not be included in the AFT-Oregon Coast United Employees, Local 6020, AFT, AFL-CIO bargaining unit;
- The total FTE of casual assignments at any given time will not exceed 20% of the total FTE of the Classified Support Staff group.
- Do not receive benefits except for the minimums set forth by Federal and State law; and
- Are not the same as “temporary” employees (defined as represented, fixed-duration employees, for example those hired through a grant).

Examples where the College would use Casual employees at a Classified level (categories are not mutually exclusive):

1. Student employees
2. A short-term (less than 6 months) vacancy in a regular, represented position. Examples:
 - Position is vacated due to retirement or resignation, and the program or area workload requires that the work continue to be performed while the search process for a new permanent hire moves forward.
 - Regular employee in a position is on leave and will return.
3. When a new staffing structure is in development, pending a new permanent structure, which could include new Classified positions if a final determination to implement the structure is made.
4. For work that is by nature, filled by transitory employees, where there is high turnover both because the work requires very recent exposure, and also because the people

typically seeking the work are in transition. Examples would be tutoring or aquarists where the work is most frequently done by students or recent graduates.

5. For Seasonal/Intermittent/Project needs where there is work to be done on occasion and not necessarily according to a regular, ongoing, defined schedule. Examples would be:
 - Seasonal landscaping or one-time facilities support
 - Intermittent technical work related to program equipment (such as in Aquarium Science or Nursing).
 - One-time, clerical project work such as scanning document batches.
6. Intermittent work that relies on a pool of specialists, for example musical accompanists or lab equipment repair or maintenance.

The College will provide to the Union the name, date of hire, position title, associated FTE, pay rate and duration of the assignment for any casual hires at the Classified level.
