

Executive/Manager/Technical Staff Assessment

Name:	Title:	
Unit:	Supervisor:	
☐ Self Assessment (Use of this form for self-assessment. T	his is optional, not required.)	
EVALUATION TYPE: \square Annual $\square 1^{st} \square 2^{nd} \square 3^{rd}$	☐ Continuous Appointment – Every third year	(indicate year)
INSTRUCTIONS:		

- Using the descriptions below, check the boxes that best describe the employee's demonstrated performance. Provide supporting comments and examples in the space provided or attach additional pages.
- Go to Shared Network drive- FORMS (M) for assistance and recommendations for assessment preparation.

The competencies for Executive/Manager/Technical /Technical assessment are taken from the American Associations of Community Colleges (AACC) statement on Competencies for Community College Leaders and cross walked with OCCC's management commitment to student and institutional success.

PERFORMANCE MEASURE DESCRIPTIONS

Needs Improvement	Developing	Meets Standard	Frequently Exceeds Standard	Consistently Exceeds Standard
This individual rarely meets the performance expectations for this performance measure. The individual seldom/occasionally performs the expected tasks and demonstrated behaviors. Cannot be relied upon to perform these tasks without direct supervision.	This individual is learning and developing new skills or may be new to the job and is moving in a positive direction toward full performance. Not for corrective action plan situations.	This individual frequently and generally meets the performance expectations for this performance measure. The individual performs the tasks and demonstrates the expected behavior in <i>most</i> situations.	This individual consistently meets the performance expectations for this performance measure. The individual can be depended upon to perform the tasks and demonstrates the expected behavior under <i>all reasonable</i> circumstances.	This individual has <i>exceeded</i> the performance expectations for this performance measure. The individual's job achievements have added <i>significant</i> value to the goals of their team, department and/or organization.

COMMUNICATION SKILLS: AACC: An effective community college leader uses clear listening, speaking, and writing skills to engage in honest, open dialogue at all levels of the college and its surrounding community, to promote the success of all students, and to sustain the community college mission OCCC: Respectful and powerful communications through excellent communication skills (listening, written, oral & presentation)	Needs Improvement	Developing	Meets Standards	Frequently Exceeds Standards	Consistently Exceeds Standards
Self: Establishes and maintains effective communications both upward and laterally across the organization as required, as well as within the work team for which he/she is responsible. May include elements such as: providing clear and concise reports on projects, plans and progress; communicates, collaborates and cooperates with other functional areas of the college (e.g., responds to e-mail or voice-mail messages, completes required reports and/or forms or ensures that such paperwork or forms are submitted in a timely manner by his/her staff.)					
Department or work team: Establishes and maintains effective communications within the work team for which he/she is responsible. Creates and maintains open communications regarding resources, priorities and expectations. Listens actively to understand, comprehend, analyze, engage and act. Disseminates and supports policies and organizational strategies, including elements such as: communicating the College's vision/mission and Big 5 Strategic Framework; speaking knowledgeably about the College's goals and programs; communicating complex information in an understandable way. Solicits and welcomes input or ideas from employees. Campus/Community: Establishes and maintains effective communications and relationships with students, vendors or other customers of					
the work team whether internal or external. Demonstrates effective listening skills and seeks to understand others points of view. Supporting comments and/or examples:					

INTERPERSONAL RELATIONSHIPS / COLLABORATION		T			
AACC: An effective community college leader develops and maintains responsive, cooperative, mutually beneficial, and ethical internal and external relationships that nurture diversity, promote the success of all students, and sustain the community college mission.	Needs Improvement	Developing	Meets Standards	Frequently Exceeds Standards	Consistent Exceeds Standards
OCCC: Ethical, strong and collaborative leadership as in integral member of the College leadership team. Building trust among members of the College, collegiality and respect for everyone					
<u>Self:</u> Works well with others; demonstrates willingness to assist and enlist the help of others as needed to work toward common goals. Seeks conflict resolution instead of conflict or conflict avoidance. Demonstrates ability to resolve conflict constructively and is receptive to constructive criticism. Demonstrates cultural competency. Works well in teams, actively participates as a member of assigned committees; facilitates shared problem-solving and decision-making.					
<u>Department or work team:</u> Develops a positive environment that supports innovation, teamwork and successful outcomes. Respects diversity, practices self-reflection/self-awareness; builds trust in employees and customers, builds respect; demonstrates integrity; manages conflict effectively; collaborates across organizational boundaries for the greater good. Focuses on building healthy relationships. Demonstrates courtesy and respect for co-workers, customers and other contacts, as required.					
<u>Campus/Community:</u> Ability to create and sustain employee commitment; creates an environment which breeds success; embraces and employs the diversity of individuals, cultures, values, ideas and communication styles. Works with peers across the district and others to identify economies of scale and cooperates in designing and implementing district-wide work teams; collaborates across unit boundaries for the greater good.
