

OREGON COAST  
COMMUNITY COLLEGE

Fall 2020 In-Service

**Equity Outcomes Session** – Wednesday, September 23<sup>rd</sup> @ 3:30pm

**Summary:**

In the Equity Outcomes session, we prioritized goal categories that had been created in the E&I meeting earlier that day. Examples of These categories included LGBTQ+, commitment to Universal Design, mental health, and housing insecurity. The full list of categories and the prioritization chart can be found below.

We also discussed recommendations that would be pushed out early in the term such as flexible attendance policies and resources to help students with food and housing insecurity. We ended the session with a brainstorm on self-care, recognizing how essential it is to providing care for our students.

Ben Kaufmann  
Navigate Program Manager

High Importance, Short Term (1-2 weeks)	High Importance, Long Term ( $\geq 1$ year)
Lower importance, Short term	Lower Importance, Long Term
