

## OCCC Student Priority Survey

The OCCC Student priority survey asked students to rank issues that were important to them, discuss why they were important, and provide details around potential solutions. The survey was administered through Canvas in March 2021. Forty-one students across a variety of degree and non-degree programs responded.

### Survey Results

Rank	Item	OCCC Progress on the Top 3 Issues
1	Mental Health Resources	<p>1. <b>Mental Health Resources:</b> May is Mental Health Awareness Month. OCCC is hosting awareness events throughout the month, including yoga, a coffee break, and a quiet virtual drop in space for midterm week, co-sponsored by Lincoln County Mental Health. For more information, click here: <a href="https://occcmentalhealth.carrd.co/">https://occcmentalhealth.carrd.co/</a></p> <p>2. <b>Textbook Cost and Access:</b> OCCC is committed to increasing textbook accessibility for all. This includes exploring options for free or open-source textbooks, as well as sourcing audio or eBook versions through Student Accessibility Services for students who need them. Many textbooks are also available for checkout through the college library as well.</p> <p>3. <b>Technology Access:</b> OCCC is aware of the difficulties students can face when it comes to accessing the technology they need to succeed. Through the Wired Sharks program, students can check out laptops, Chromebooks, and wireless hotspots in order to better access classes and school resources. Contact Student <a href="mailto:Services@oregoncoast.edu">Services@oregoncoast.edu</a> or 541-867-8501.</p> <p>Students face many challenges to succeeding as college students. As OCCC makes progress in addressing these challenges, we will announce our outcomes and results.</p>
