

TRAINING SCHOLARSHIPS AVAILABLE!

WIOA (Workforce Innovation and Opportunity Act) assists new and existing students by helping cover the costs of tuition and non-tuition items that are not covered by a grant or other financial aid.

We help students who are interested in an in-demand, short-term occupational skills training by minimizing or eliminating the need for student loans.

See if you're eligible for training scholarships by Contacting Your Local WorkSource Center

All eligible job seekers must reside in Columbia, Clatsop, Tillamook, Lincoln or Benton counties.
