Data timing notes	Includes all dual credit & other late reg FTE	Does not include all late reg	Does not include all late reg

**NWCCU Mid-Cycle Evaluation Visit is scheduled
October 13-14, 2022**

We will be evaluated on progress on our five recommendations:

1. **Program Review:** Fully implement the system of evaluation of its programs and services to evaluate achievement of clearly identified program goals or intended outcomes and use the results of its assessments of services for improvement by planning, decision-making and allocation of resources and capacity
2. **Student Learning Outcomes:** Refine and fully implement the system for assessing student learning outcomes for courses, programs, and degrees, utilizing the results to inform academic learning, support planning, and practices leading to the enhancement of student learning achievement
3. **Integrated Planning:** Develop a purposeful, systematic, integrated, and comprehensive plan articulating priorities and guiding decisions on resource allocation and application of institutional capacity
4. **Employee Performance Evaluation and Professional Development systems:** Assess the performance evaluation process, implementation, and feedback mechanisms, professional growth and development, and support resources for employees necessary for improvement of its operational functions
5. **Technology Infrastructure:** Develop, implement, and review a comprehensive technology infrastructure plan

**Working Together in 21-22
Look forward to CoCo's role in:**

1. Preparing for our NWCCU Mid-Cycle Visit and Evaluation
2. Input and Review on the next 5-Year Strategic Plan
