

# Student Success

## The Oregon Coast Approach

OCCC redesigned the advising office to better support our students.

- Student Success Coaches are assigned to a high school in Lincoln County.
- OCCC's model is based on a foundation that student support services must be proactive, continuous, and versatile to create student success.
- The new model reflects OCCC's culture of building solid relationships with our community.

The **Oregon Coast Scholars Program** is a competitive, merit-based, full-tuition scholarship program for up to two years for Lincoln County high school seniors.

- Investment for Lincoln County students
- Creates access - with over 100 LCSD students have used OCS Scholarship

With Honors!

It was hard, playing sports, working, and doing homework but the opportunity was worth it.

I worked with Rob (Taft Counselor) Blake (OCCC Coach) they both supported my goal by creating a plan

# How is LCSD & OCCC helping our students

Getting used to college level work without the majority of the pressure that comes with having to pay a lot of money.

Current Early College Student

Because I have very little financial stability, I am not sure how far I will be able to go in my education. Early college lets me advance my learning further than I may have had the chance to without it.

Current Early College Student

It has helped me achieve goals by letting me get a higher level of education before I go into the real world.

CNA Graduate

Thank you for setting me up for success!
