Executive Summary

Oregon Coast Community College is an open-access, publicly funded two-year institution, one of 17 community colleges in Oregon. OCCC was founded in 1987, built facilities from 2005-2009 with the support of local taxpayers and state grants, and in 2020 earned independent regional accreditation through the Northwest Commission of Colleges and Universities.

The College serves Lincoln County, which is rapidly becoming a nexus for Maritime and STEM-based activity. Lincoln County also faces many of the challenges of isolated rural communities, including sparse population, distance to services, pockets of poverty, and other barriers. Northern and southern areas are dominated by seasonal tourism and retail while the central portion of the county sees tourism buttressed by more stable, year-round contributions from government, commercial fishing, port facilities, and a growing science and technology sector. OCCC is the only locally accessible provider of the first two years of a bachelor's degree. Students are full-time and part-time, balancing demands of family, work, and school. Students take lower-division transfer credits, learn English, earn a GED, or otherwise enrich their knowledge. At this small college, students experience more direct contact with faculty and staff, allowing them to achieve their goals in a supportive academic environment and caring social atmosphere.

OCCC works carefully with industry, as well as state, local, and federal government, Lincoln County School District, and other educational providers. We share the goals of ensuring student needs are met and time spent in education leads to rewarding and meaningful careers and/or transfer.

Plan Development Process

OCCC's Strategic Plan (CSP 2023-28) builds and expands upon the 2015-2022 "Five Big Ideas" framework. The CSP is a result of a year-long process led by President Ryslinge, engaging with the college Board of Education and employees, industry partners, Lincoln County School District, various data sources, and the Economic Development Alliance of Lincoln County. Each year, the college will adopt a series of Planned Activities to ensure progress – and, within five years, achievement – of the five Strategic Priorities.

2023-2024 Planned Activities

Shaping the Future Through Learning

Land Acknowledgement

Oregon Coast Community College acknowledges that we reside within the ancestral homelands of the Yaquina (Yaqo'n) and Alsea (Wusi'n) Tribes, who agreed to cede their lands to the U.S by treaty in 1855. Much of their homelands, as well as parts of Siletz, Salmon River, Nestucca Bands of Tillamook, and Siuslaw territories, were established as The Siletz Reservation for the many western Oregon Tribes to move into in accordance with treaty agreements and federal policy. However, these treaties were repeatedly violated, and those lands were forcibly taken from them piece by piece, mostly without compensation. Today, those tribal descendants are represented by The Confederated Tribes of Siletz Indians. We are honored for the opportunity to teach, learn, and work on their ancestral lands. We also recognize and appreciate the ongoing contributions they make to the community, Oregon Coast Community College, and the world.
