# Oregon Coast Health Careers Exploration Program

## Project Partners:

Samaritan, OCCC, OSU Extension, Oregon Coast STEM Hub, The Ollalla Center, and Northwest Oregon Works

# Conexion Fenix - Semillas de Acceso

Connecting immigrants with legal services and supports,  
at the Newport Performing Arts Center.

# Welding Program Update

- Welding Lab Ventilation was installed at the Port of Toledo through funds from the Future Ready Oregon Pathways grant.
- The funding also allowed the expansion into an additional bay, increasing the number of welding stations (seats) at the Port of Toledo from 12 to 18.

- A new Computer Numerical Control (CNC) plasma cutter was purchased. Will be ready for use in the Fall '23 Term.

## Registration open for community education courses at OCCC

Floral Design, Dungeons & Dragons, Mushroom Foraging, Conversations about Geology, Visionary Painting, Self-Defense, Apple Appreciation, and more — these are just some of the new community education courses featured at Oregon Coast Community College this fall.

Popular returning classes include Guitar for Beginners, Introduction to Improv, gardening, birding, fitness, and art — including painting, mosaics, watercolor, collage, ceramics and more. Check out the full lineup of courses online at [oregoncoast.edu/community-ed](http://oregoncoast.edu/community-ed).

Classes take place throughout the fall term, September through December, and are held at locations throughout Lincoln County. Instructors are passionate about the subjects they teach, and are your neighbors, folks who live in the local community, and are excited to share their areas of expertise and interest with others.

The college is excited to announce expanded offerings at its South County Center in Waldport this term, including Literary Portrait Making, Japanese Brush Painting, Oil Painting, Chocolate Covered Strawberries, Photography, Zen Meditation, Mah Jongg, Before End of Life, and TikTok for Your Business.

Small business courses on offer this fall include sessions on topics such as: Starting a Business in Lincoln County, the Basics of Excel and QuickBooks.
