# College Updates

## Fall Enrollment Preview

- It is nice to see our parking lot with cars and more students on campus.
- Increases in Small Business Development and other Non-credit courses.
- LPN to RN program increased our CTE enrollment.
- OCCC is still working towards pre-pandemic numbers.
- Final enrollments for credit courses are coming in later in November.
- Continue enrolling students in ESOL and GED.

- The Welding program has enrolled 3 apprentices from Georgia Pacific as part of a 4-year apprenticeship program.

OCCC SUMMER  
HONOR ROLL  
Congratulations, Sharks!

# Oregon Health Authority

*Congratulations!*

## **Dr. Crystal Bowman**

Appointed to  
Administrative  
Requirements for  
Clinical Training  
Advisory Committee

**Oregon**  
**Health**  
Authority

**Dr. Crystal Bowman**  
*Dean of Nursing & Allied Health*

- The committee will advise the Oregon Health Authority on the appropriate and necessary requirements for students in clinical training who work with patients.
- One of three Community College representatives selected for the committee.

# Student Activities & Engagement

*Hispanic Heritage Month*

## Food Celebration

Tuesday, October 10  
11:00 am-1:00 pm  
Newport Community Room

Organized by Equity & Inclusion Committee

Thirteen States have populations of at least 1 million Hispanic Residents

September 15th is Independence day for Costa Rica, El Salvador, Nicaragua, Guatemala, and Honduras

Guatemala has 37 volcanoes in the country, 3 are active volcanoes

Almost half of the population in Guatemala is descendant from the Maya civilization

1 in 5 people in the United States identify as Hispanic

# Student Activities & Engagement

Takes place  
10/19 at 10:19am

The drill offers a chance to practice the latest earthquake response: Drop, Cover and Hold On.

## Student Game Club

Wednesdays  
1:00-4:00 pm  
Meets in room CC-52

An illustration of a fan of five playing cards (Ace of Clubs, 3 of Spades, 8 of Spades, 10 of Hearts, and 01 of Hearts) and several dice of various shapes and colors (purple, green, blue) scattered on a dark blue background.

### Fall into something new

If your idea of an enjoyable fall includes searching for mushrooms, pondering a Granny Smith or delving into perilous dungeons in search of long-lost treasure, you are in luck. All these and more are among the lively fall lineup of community education courses on offer at Oregon Coast Community College.

Popular returning classes include "Guitar for Beginners" and "Introduction to Improv" as well as classes on gardening, birding, fitness and art — including painting, mosaics, watercolor, collage, ceramics and more. A full lineup of courses is available at oregoncoast.edu/community-ed.

Classes take place at locations throughout Lincoln County from September through December, led by instructors who are passionate about the subjects they teach.

The college has expanded offerings at its South County Center in Waldport this term, including "Literary Portrait Making," "Japanese Brush Painting," "Oil Painting," "Chocolate Covered Strawberries," "Photographs," "Zen Meditation," "Mah Jongg," "Before End of Life" and "TikTok for Your Business."

Small business courses on offer this Fall include "Starting a Business in Lincoln County" as well as sessions on topics such as the Basics of Excel and QuickBooks, federal contracting, marketing courses, and more.

The college's Small Business Development Center is also running extended courses for local businesses with its no-cost Childcare Business Accelerator, Small Business Management Program and Restaurant Small Business Management Program. For more details, contact SBDC Director Gregory Price at greg.price@oregoncoast.edu.

"The Small Business Management Program and its innovative and specialized new cousin, the Restaurant SBM, have both been reimagined and updated from the ground up this year," said Dave Price, the college's VP of Engagement, himself a 2010 SBM Program graduate.

To register or learn more about community education classes, go to oregoncoast.edu/community-ed, or call 541-994-4166. Learn more about the college's full range of degree and certificate programs at oregoncoast.edu or call 541-867-8501. ★

## College hosts resource fair

Oregon Coast Community College will host a resource fair for students and the greater community at its Newport campus on Tuesday, Oct. 3.

Community members are welcome to attend and meet with local organizations that can assist with non-academic and basic needs, including housing and food insecurity, mental and emotional health, physical health, childcare issues and flexible employment opportunities.

Running from 10 am to 2 pm, the resource fair is intended to connect students and community members to local agencies.

Participating organizations will include Community Service Consortium, Connections, Tribal 477 Self-Sufficiency Program, Housing Authority of Lincoln County, Newport Veterans Services, Lincoln County Transportation, Lincoln County Public Health, Newport Food Pantry, Samaritan Health Services, Pollywog, Lincoln City Hope Center, Olalla Center, Oregon Health Insurance Marketplace, Newport Public Library and more.

The college's Newport campus is located at 400 SE College Way. All are welcome to attend.

For more information, contact OCCC Student Resource Navigator Tracy Jones at tracy.jones@oregoncoast.edu or 541-867-8544. ★
