CHINOOK LIBRARIES

Our library is part of a consortium called the Chinook Library Network. The other libraries within the consortium are: Siletz, Toledo & Waldport Public Libraries as well as Clatsop & Tillamook Bay Community College Libraries. This means if you have a card from any of these libraries you can check items out at any of the other Chinook Libraries.

Our students have access to: DVDs/Blu-rays and books, reference help, academic databases, interlibrary loans, study rooms, calculators (graphic & scientific), phone chargers, board games, Northstar Digital Literacy (contact us for access), and Mango Languages.

Students may reserve rooms up to three hours at a time. See Shannon at the Library Services window if you have any questions.
