OCCC welding staff (Robert Boyd & Levi Yerkes) and some of their Taft 7-12 students presented to the Lincoln City Rotary Club.

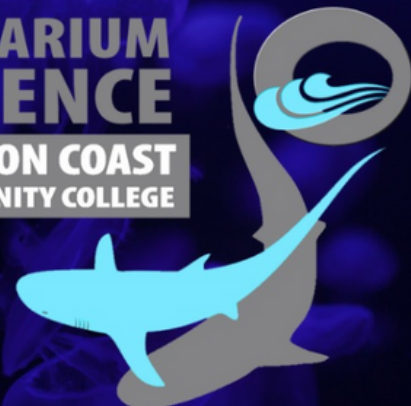

# Aquarium Science Updates

## Aquarium Science Committee Visit February 25-26th

### Aquarium Science Final Project Showcase

Tuesday, March 19  
Central County Campus  
2:30-3:50 pm

AQUARIUM  
SCIENCE  
OREGON COAST  
COMMUNITY COLLEGE

Aquarium professionals from around the country visited the OCCC campus, inspected the AQS building, reviewed our curriculum, and provided students the opportunity to have “mock” interviews with leaders from industry.

This year we had participants from:

- Oregon Coast Aquarium
- Wonders of Wildlife in Missouri
- The Marine Mammal Conservation Center in California
- The Seattle Aquarium
- Segrest Farms in Florida (provides fish to pet stores and aquariums).

The AQS 226 students presented their ideas for an animal exhibit that features an animal never or rarely housed in zoos or aquariums.

## Career Technology Expo set in Newport

Feb 10, 2023

### College to host Career Tech Expo March 22

*School district partners on busy event*

Career and Technical Education (CTE) continues to be an ever-growing part of educational curricula across the country, and Oregon stands as one of the leaders in CTE innovation and initiatives. On Friday, March 22, Oregon Coast Community College and the Lincoln County School District are partnering to showcase CTE programs in Lincoln County.

Community members are invited to experience the CTE Showcase from 10 a.m. to 3 p.m. at the OCCC Central County Campus, located at 400 SE College Way in Newport. A variety of experiences will be available, including student demonstrations, presentations about various local CTE programs, edible samples from school culinary programs, and information about the many and varied career and technical

education opportunities in Lincoln County.

The Lincoln County School District will feature its career tech programs, including welding, culinary arts, natural resources and forestry, drafting, manufacturing, wood working, engineering, visual design and communication, digital design and media, and early childhood education.

Oregon Coast Community College will be highlighting programs including early childhood education, Aquarium Science, business, computer science, welding and more.

"These programs together are working to forge our future workforce," said Matt Batchelor, OCCC Career Connected Learning Systems navigator. "We, as educational institutions, want to make sure that what is being created and taught is what our local industries need. We are striving to provide a qualified and educated workforce."

Local industry partners from the community will also be present, including Samaritan Health Services, Confederated Tribes of Siletz Indians, Lincoln County Parks, Chinook Winds Casino Resort,

Community members are invited to experience a Career and Technical Education Showcase from 10 a.m. to 3 p.m. on Friday, March 22, at the Oregon Coast Community College Central County Campus, located at 400 SE College Way in Newport.
