- 1 Office Specialist
- 1 Student Worker
- VACANT – 2 FT Nursing Faculty, 5 PT Nursing Faculty, EMT Faculty, EMT Medical Director

# Funding & Support

- Samaritan Health Services – Lincoln County Health Districts
- Scholarships specific to nursing students
- Emergency aid to help students meet basic needs
- Grant Funding – HRSA
  - Goal is equitable nursing education across Lincoln County

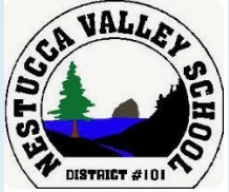

# Mentorship Model

- Reduce attrition
  - We have seen decreases since the implementation
- Ensure success
- Identify risk
- Presentations scheduled
- Publishing in process

# Clinical/Community Partnerships

- We are working with our clinical and community partners to secure clinical placements so we can;
  - Increase enrollment Increase the healthcare pipeline in Lincoln County

# We love our community – and we enjoy giving back

- Over 8,000 volunteer hours in the past two years were provided to help with COVID-19 vaccination efforts in Lincoln County and to increase presence
- Community service projects – each student must complete at least 8 hours of community service per term
  - Hygiene drive for children in foster care
  - Older adult engagement and activity
  - Increasing interest in nursing & allied health programs through the local schools
  - School supply drive in Tillamook County

# 2022- 2024 Goals Status Check...

- Increase enrollment in the nursing program by 20% for the Class of 2025 – **DONE!!**
- LPN-RN Pathway – **DONE!!**
- Paramedic to RN Pathway
- Support of Nurse Intern Licensure – **DONE!!**
- Expansion of simulation programs – **DONE!!**
- Development of additional community partnerships – **DONE!!**

# Goals for 2024 and Beyond

- BSN Education – SB 523
- Continue work on Paramedic to RN pathway
- Phlebotomy program
- QMHA Program
- Continue to increase enrollment and reduce attrition
- Increased NCLEX pass rates
- Increased access to simulation
- Increased job placement within SHS

QMHA-R	QMHA-I	QMHA-II
<b>Professional National Standard of Practice</b> The candidate must demonstrate the following skills and knowledge: <b>Regulations</b> The candidate must demonstrate the following skills and knowledge: <b>Regulation &amp; Compliance</b> The candidate must demonstrate the following skills and knowledge: <b>Primary Nurse Observation &amp; Supervision</b> The candidate must demonstrate the following skills and knowledge: <b>Other Content</b> The candidate must demonstrate the following skills and knowledge: <b>Registration valid for two years</b> The candidate must demonstrate the following skills and knowledge:	<b>Advanced National Standard of Practice</b> The candidate must demonstrate the following skills and knowledge: <b>Advanced Regulations</b> The candidate must demonstrate the following skills and knowledge: <b>Advanced Compliance</b> The candidate must demonstrate the following skills and knowledge: <b>Advanced Primary Nurse Observation &amp; Supervision</b> The candidate must demonstrate the following skills and knowledge: <b>Advanced Other Content</b> The candidate must demonstrate the following skills and knowledge: <b>Advanced Registration valid for two years</b> The candidate must demonstrate the following skills and knowledge:	<b>Expert National Standard of Practice</b> The candidate must demonstrate the following skills and knowledge: <b>Expert Regulations</b> The candidate must demonstrate the following skills and knowledge: <b>Expert Compliance</b> The candidate must demonstrate the following skills and knowledge: <b>Expert Primary Nurse Observation &amp; Supervision</b> The candidate must demonstrate the following skills and knowledge: <b>Expert Other Content</b> The candidate must demonstrate the following skills and knowledge: <b>Expert Registration valid for two years</b> The candidate must demonstrate the following skills and knowledge:

**Recertification every two years**

# Opportunities for Partnership

- Development of Nurse Intern Position
- Clinical Faculty Position
- Facility use agreements
- More diverse clinical placement opportunities

# Allied Health

# Spring 2024 Numbers

Medical Assistant – 4

\*\*New cohort will be admitted in Fall 2024

- All of them wish to work within Lincoln County

EMT – Not currently running

NA 1 – Two cohorts in Spring

\*\*First time ever – program expansion is key

# What questions do you have for me?
