    - i. Spencer has been working on our multi factor authentication (MFA) processes. Lots of participation, which is greatly appreciated. There is a setting that has to be enabled to require use of MFA. Spencer will be enabling this on Monday; all users must have the authenticator app installed by then.
  - b. Co-Chair Needed Since Tabitha stepped down mid-serving, we'll be holding a special election. We will be accepting nominations and voting at December meeting. If interested, please send your name to Alison.
  - c. More voting members needed. However, we may be heavy compared to the actual needs. At the December meeting we'll discuss our options, and

whether we should consider decreasing that. We may also want to reconsider whether the Chair and Co-Chair are non-voting positions.
