  - Total SBM: 53 FTE

And, oh, yeah...

...53 FTE and **counting**.

Oregon's first-ever **Non-Profit Small Business Management Program** is slated to start in the Spring of this academic year (April 2024). Target enrollment for that program is **20 participants**.

# North Center

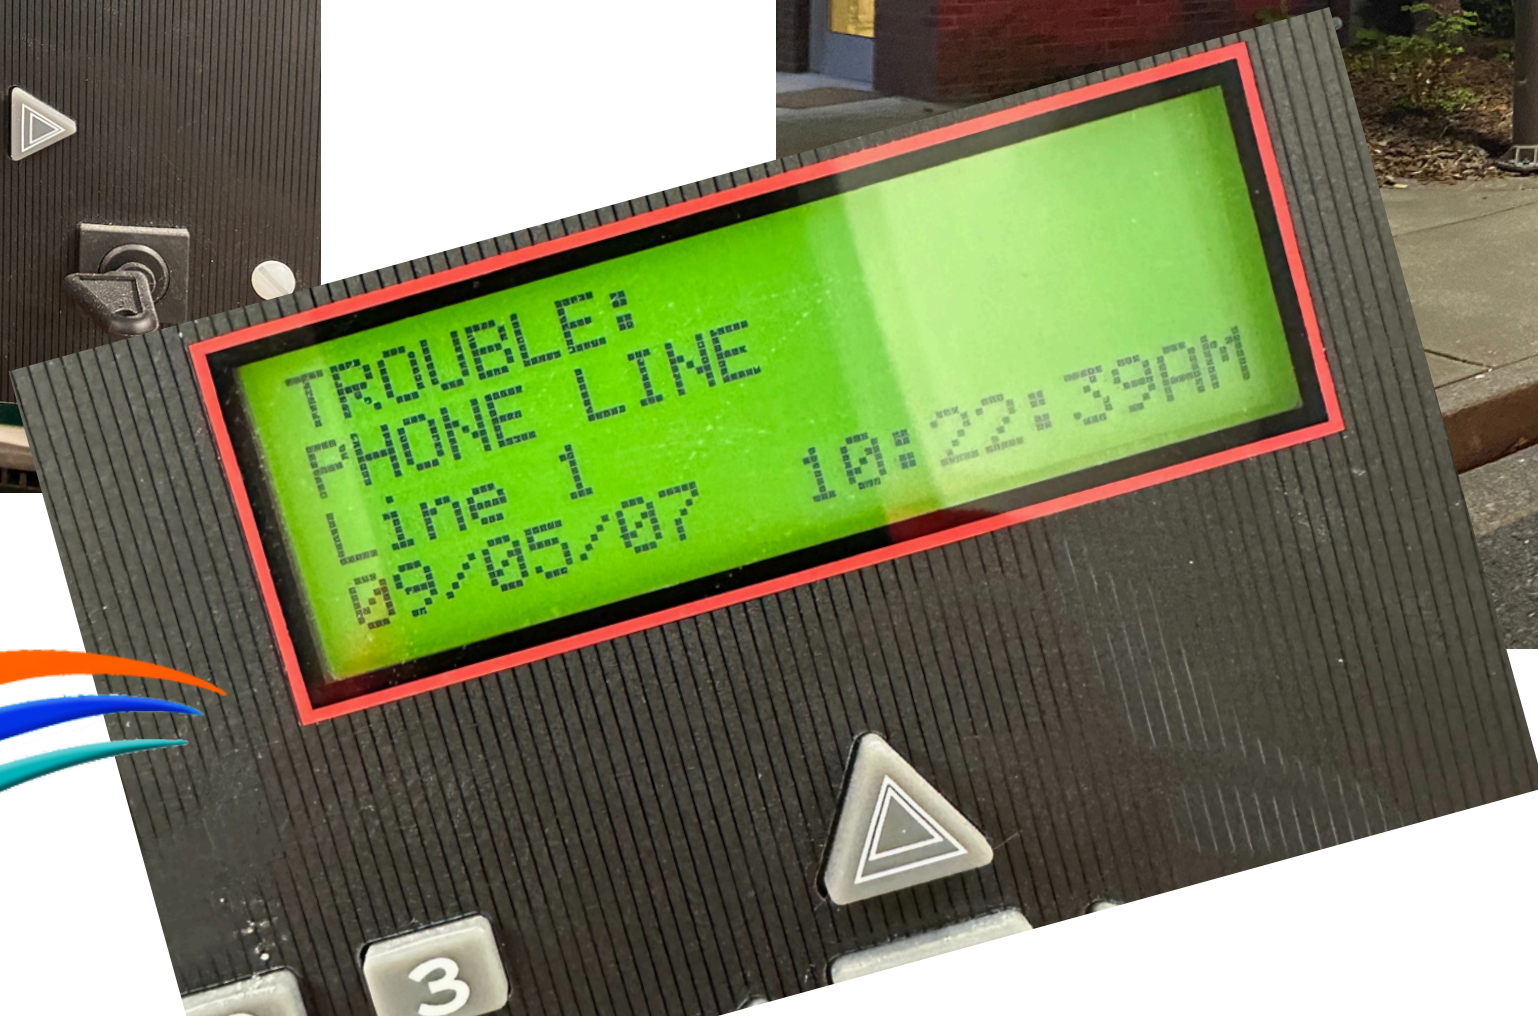

- Long provided Audubon of Lincoln City with office space at this center
- With the group, now the 7 Capes Bird Alliance, now gone, that space is occupied by Conexión Fenix, a nonprofit born in the aftermath of the Echo Mt. Fires which serves to connect the Latinx community with local services, including those from the College and SBDC.

# North Center

- Now, with less beeping.
