

## JOIN THE P.A.C.T.

The Pre-Apprenticeship for Construction Trades (**PACT**) program incorporates a comprehensive pre-apprenticeship curriculum developed and approved by the Building Trades National Apprenticeship and Training Committee.

Do you want a good paying job in the Construction Trades? Want to get paid to learn, rather than the other way around? Then you are looking for an **Apprenticeship!**

## BE JOB-READY.

### OSHA-10

Get **OSHA-10** certification as a core piece of the program curriculum.

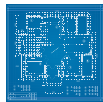

### CPR

**Safety** is paramount on the job site. You'll leave the program ready to aid your fellow workers.

### FORK- AND SCISSOR-LIFTS

Get training from expert lift-truck instructors.

### BLUEPRINTS, MATH & MORE

Oh, yeah, there's **reading** and **math** in the trades – and **you** can do it! This program will help get you ready.

## FALL 2025

The inaugural **PACT** program started in September '24 and runs through January. The next program, designed in consultation with Lincoln County's trade unions and other industry experts, launches in about nine months.

It's designed to arm you with the expertise and experience to **succeed** in your apprenticeship program, while you learn more about local trades careers and how and why an apprenticeship might help launch the career of your dreams!
