

Advising Requirement – LPN-RN Prospective Students & Applicants

Please complete the following items before making an advising appointment. Current OCCC students who have been working closely with the nursing & allied health advisor do not need to complete these items, but they may be helpful to review.

Item	Description
Review Catalog and Nursing Web Page: This is where the application will be located when it opens in January.	Nursing web page: Associate of Applied Science Nursing - Oregon Coast Community College Catalog: Associate of Applied Science in Nursing Oregon Coast Community College
Informational Video	Watch the informational video .
Review Nursing FAQ's	Nursing Program FAQs - Oregon Coast Community College
Apply to OCCC	Please enter "associate of general studies" for your program if the nursing application is not yet open. After receiving the welcome email from our college follow the instructions to set up your college email and accounts.
Transcript Evaluation *Only for students who have previous college credits.	Follow the transcript evaluation process to see what credits you have. The two key steps are sending over your official transcripts to registrar@oregoncoast.edu and then filling out the evaluation request form . When the evaluation is complete, the registrar will let you know if there are

any remaining requirements left for your pathway.

*Please note: OCCC only accepts transcripts from regionally accredited institutions.

Key Requirements

The major prerequisite to applying is that you must have an active LPN license in the state of Oregon. Additionally, having a social science class (ex: Sociology, Psychology, Anthropology, Poli Sci, History, and others) and an arts & letters class (ex: Literature, Speech, Music, Art, Philosophy, Religion, Communication and 200-Level Language) can help you get extra points on your application and are required to graduate from the program if accepted. Additional requirements and information will be listed on the application when it opens.

*Please note: OCCC only accepts transcripts from regionally accredited institutions.

Additional Information

Nursing classes will be held on-site at our Newport and Lincoln City campuses. Clinicals will also be on-site in Lincoln County. You will need to plan on being here at least 4 days a week through mid-June, except for breaks between terms.

Further Questions or Assistance Needed?

Once you have reviewed the information and completed the items in this document, if you still need assistance, have a question or plan on taking classes with us you can reach out to the Nursing & Allied Health Advisor/Success Coach by [sending an email or making an advising appointment](#).
