BLACK HISTORY MONTH

This month a selection of books by and about African-Americans will be displayed in the Commons in honor of Black History Month.

Check out our word search on the back of this newsletter and see if you can find the names of important figures in African-American history.

I LOVE MY LIBRARY EVENT

On Tuesday, February 18th and Wednesday, February 19th the Library will be holding our annual 'I Love My Library' event. Patrons can come by and participate in a collection scavenger hunt, library services word search and other fun activities. Patrons can also tell us why they love the Library and be entered to win prizes. Come by and take a break while learning more about the Library and have some fun while doing so.

NEED TO REQUEST AN ARTICLE?

Are you requesting an article through interlibrary loan? Just a reminder that filling those requests is not instantaneous. Depending on the article it could take up to a week before we receive your article from the library that has access to that journal. We also cannot fill requests over the weekend. Please request your articles well before your assignment is due to make sure you have everything you need to succeed.

ITEMS WE LOVE

This month a selection of fiction and non-fiction will be displayed by the Library Services window.

All books displayed are from staff or patron recommendations.

Come by and find something that you may love.
