College Services Fee: This fee provides a General Fund offset for costs such as student printing, processing of admission applications, placement and transfer review, degree progress auditing, graduation processing, parking, safety and security.

Student Success Fee: This fee provides a General Fund offset for costs related to new student orientations, a new early alert system, tutoring services and outreach, student success and retention activities.

Student Government Fee: This fee provides funds to Student Government for the hosting of welcoming and student connection activities, leadership development opportunities and support of Phi Theta Kappa and other club activities.

Technology Fee: This fee provides a General Fund offset for costs related to the student management system and MyOregonCoast portal, Microsoft Office 365 licensing for student use, maintenance of College email accounts for all students, maintenance of the Canvas learning management system, help desk services for students, ongoing maintenance and improvements to the computer labs and Commons area computers, the purchase of equipment for student use and equipment upgrades and enhancements in the classrooms to better facilitate new modalities of course delivery and testing.

\$5 per credit represents an increase of 3.25% and will provide an estimated \$54,000 in additional revenue.

This increase is slightly less than the Higher Education Price Index of 3.4%
