Dear President Ryslinge:

This letter is to notify you that Oregon Coast Community College has completed implementation of the corrective actions recorded during the June 2018 civil rights on-site review.

The Voluntary Compliance Plan, which you signed August 1, 2019, and returned to the Oregon Department of Education, is complete. We appreciate the willingness of the college administration and staff to respond positively to these recommendations and corrective actions.

Please extend our appreciation to Andres Oroz, Dr. Crystal Bowman, and the other members of your staff, for their diligence in completing the corrective actions. Your college was a pleasure to work with, and the care taken by members of your faculty and staff to meet the needs of all students is evident.

If you have any questions or need additional information, please contact Karin Moscon by phone at 503-947-5706 or via e-mail at karin.moscon@state.or.us.

Sincerely,

Karin Moscon (she/hers)
